

**CVA Teaching Artist: Practicum, FA 401
Artist-Shadowing Assessment Form**

Thank you for taking the time to fill out this assessment. Your experience and insights are important to us. Use the back for additional comment if necessary.

Name of Teaching Artist shadowed by CVA student:

Name of CVA student:

School and grade levels in which artist residency took place:

Brief description of the Teaching Artist's project observed and assisted by the CVA student:

1. Did the College of Visual Arts TA student benefit you and your residency during the time spent shadowing you? If yes, please name specific tasks you asked the student to participate in and comment on the ability of the students to perform them.

2. Was the student prompt and dependable? _____ Did the CVA student shadow between 12-18 hours? If not, approximately how many hours did they shadow with you?

3. What specific skills or insights did you share with the CVA student?

4. Did you spend time outside of the regular classroom hours planning or working with the College of Visual Art student? If so, what did you do and how much time did you spend?

5. What words of wisdom can you give this young person as they pursue work as a teaching artist?

6. If you are doing an artist residency in the school next year, would you be willing to host another CVA teaching artist student?
