

CVA Teaching Artist: Practicum, FA 401
Video Reflection for CVA Teaching Artist Students

After viewing the video of your lesson presentation please fill out the following evaluation of your teaching and return to LMI PO in the Summit Building.

Name of CVA student _____

School or Organization where the presentation took place _____

Brief description of the activities/lesson CVA student presented:

1. After viewing the video of your presentation, describe what you felt were the strengths of your teaching presentation? Consider: strength of voice, animation, eye contact with audience, student participation and interest, clarity, humor, expression and student comprehension of the main ideas. Could the students see, hear, and understand the demonstration of techniques?
2. Did you see any weaknesses in your presentation methods or actions? If so, what and how could it be alleviated?
3. Describe how the students were engaged in or reacted to your presentation. If you would like to change, this how might you go about it?
4. What was the biggest surprise to you in this video?
